Whom do they mean? The Midnight cabal that governs the Republican party of Illinois under the name of state convention at Springfield of such "Re- to their fine sash and door factory; Mesars. publican voters as are in favor of excluding traitors from congress," an interesting question arises, whom do they wish to include in their invitation? In common, every day acceptance of the word, "traitors" in this country means those persons who have attempted to overthrow the constitution and government of the union, and to erect themselves into a seperate, independent government or "confederacy."

Now there is no doubt but quite a large number of people in the southern states have lately made such an attempt, and we can readily comprehend that the "U. L. A." includes these in the category of those whom they would have excluded from congress.

But then, some years ago there was also a rebellion in Massachusetts, and the legislature of that state invited all the New England states to meet in convention at HARTFORD to adopt measures for seceding from the union and forming a "New ENGLAND CON-FEDERACY" in opposition to the government

Then later, in 1846, the legislature of Massachusetts actually did adopt an ordis nance of secession ; for they declared that if Texas should be admitted into Union they
